6.	How do rate the balance between theory and practicals/applications in the existing curriculum?		✓			

Suggestions for further improvement of curriculum:

The curriculum should be as per industry demand.

It is required to change the structure of the paper of Engineering Geology. Some of the topics are given in one unit and their relative topics/applications in other units. These are the things which need to be brought together. Landslides and slope stability assessment are to be studied in detail in the engineering geological perspectives.

6.	How do rate the balance between theory and practicals/applications in the existing curriculum?		✓			

Suggestions for further improvement of curriculum:

The curriculum should be as per industry demand.

It is required to change the structure of the paper of Engineering Geology. Some of the topics are given in one unit and their relative topics/applications in other units. These are the things which need to be brought together. Landslides and slope stability assessment are to be studied in detail in the engineering geological perspectives.

Annexure – IV

Format for collecting feedback from ALUMNI for design and revision/review of the curriculum of the programme/degree **Master of Philosophy** (Name of the programme/degree).

Session: 2017-18

S. No	Question	Your Response (Please tick one appropriate box)				
		Excellent	Very Good	Good	Average	Poor
1.	How do you rate the relevance of the courses/papers in relation to the degree/programme?	✓				
2.	How do you rate the offerings of electives in relation to the latest trend in the subject?		✓			
3.	How do you rate the courses/papers that you have studied in relation to your current job?			✓		
4.	How do you rate the usefulness of programme/degree in developing your personality?			✓		
5.	How do you rate the sequences of courses included in the syllabus?		✓			
6.	How do you rate the availability of reading material regarding the curriculum?		✓			
7.	How do you rate the usefulness of curriculum of the programme/degree in fulfilling your expectations?			✓		
8.	How do you rate the overall structure of the curriculum of the programme/degree you have passed?		✓			

Suggestions for further improvement of the curriculum:

If possible, the curriculum can include real time practical approach with the help of all sets of instruments including field work. The seminars can be based on practical/field work. To improve competitive skills the curriculum can include objective as well as subjective test based on prescribed syllabus. To improve personality the curriculum can include introductory speech, group discussion and debate.

ANNEXURE-IV

Format for collecting feedback from **ALUMNI** for design and revision/review of the curriculum of the programme/degree, M.Sc. Geography. (name of the programme/degree)

Session: 2013-15

Sr. No.	Question	Your Response (Please tick one appropriate box)				
		Excellent	Very Good	Good	Average	Poor
1.	How do you rate the relevance of the courses/papers in relation to the degree/programme?	Yes				
2.	How do you rate the offerings of electives in relation to the latest trend in the subject?	Yes				
3.	How do you rate the courses/papers that you have studied in relation to your current job?	Yes				
4.	How do you rate the usefulness of the programme/degree in developing your personality?			Yes		
5.	How do you rate the sequence of courses included in the syllabus?		Yes			
6.	How do you rate the availability of reading material regarding the curriculum?	Yes				
7.	How do you rate the usefulness of curriculum of the programme/degree in fulfilling your expectations?			Yes		
8.	How do you rate the overall structure of the curriculum of the programme/degree you have passed?		Yes			

Suggestions for further improvement of the curriculum:

- Elective subjects ie. Political Geography must be included in Curriculum.
- Many topics are in repeating mode in every semester. Syllabus should be made as there should not be repetition of same topic.
- A paper must be there to cover international issues in geographical perspective. This paper can help students to develop understanding that how Geography influences international relations.

ANNEXURE-I

Format for collecting feedback from **STUDENTS** for design and revision/review of the curriculum of the program/degree **M.sc-Geography** (name of the programme/degree)

Session: 2019-20

Sr. No.	Question	Your Response (Please tick one appropriate box)				
		Excellent	Very Good	Good	Average	Poor
1.	How do you rate the relevance of the courses/papers in relation to the degree/programme?	✓				
2.	How do rate the sequence of topics in the units of courses/papers?		✓			
3.	How do you rate the offerings of electives in relation to the latest trend in the subject?		✓			
4.	How do you rate the usefulness of the programme/degree in developing your personality?			✓		
5.	How do you rate the sequence of courses included in the syllabus?		✓			
6.	How do you rate the availability of reading material regarding the curriculum?			✓		
7.	How do you rate the usefulness of curriculum of the programme/degree in fulfilling your expectations?			✓		
8.	How do you rate the usefulness of the curriculum in terms of employability?			✓		

Suggestions for further improvement of curriculum: subject related seminars, personality development programs, Dais presentations, get together and conversation with professionals should organize to widen the knowledge. Most importantly burden of practical classes should be lessening instead of that there should be more focus on field survey or tours which is highly beneficial for us.

ANNEXURE-IV

Format for collecting feedback from **ALUMNI** for design and revision/review of the curriculum of the programme/degree (M.Sc Geography) .

Session: 1998-2000

Sr. No.	Question	Your Response (Please tick one appropriate box)				
		Excellent	Very Good	Good	Average	Poor
1.	How do you rate the relevance of the courses/papers in relation to the degree/programme?		✓			
2.	How do you rate the offering of elective subject in relation to the latest trend in the subject?	✓				
3.	How do you rate the courses/papers that you have studied in relation to your current job?	✓				
4.	How do you rate the usefulness of the programme/degree in developing your personality?		✓			
5.	How do you rate the sequence of courses included in the syllabus?		✓			
6.	How do you rate the availability of reading material regarding the curriculum?		✓			
7.	How do you rate the usefulness of curriculum of the programme/degree in fulfilling your expectations?		✓			
8.	How do you rate the overall structure of the curriculum of the programme/degree you have passed?		✓			

Suggestions for further improvement of the curriculum:

Keeping in view the changing dimension of geographic knowledge and the need of the time and industry, the following points should be included in the curriculum particularly for M.Phil and Ph.D

- Emphasize on field/ground knowledge and field method
- The curriculum should be developed according to the requirement of the industry.
- Curriculum highlights exposure in proposal writing skill, computer literacy, Communication Skill, Personality development, Soft Skill development,
- **Common research data repository:** The study area is the same for different types of research studies, but with different research objectives. Typically 70–80% of the data that can be used has already been collected, but due to the lack of data sharing methods, a lot of student's time is wasted in data collection. Therefore, the department should have a centralized online research data repository that will allow the research data to be

preserved over time and make the needy data easily available for research to other students.

- **Transform research work to employment:** M.Phil & Ph.D research work should include an additional chapter in the pattern of detail project report (DPR/Feasibility report) which includes proposal writing, project cost estimation and time frame. This will help in capacity building and employability of the students.

Suggestions for further improvement of the curriculum:

This is an era of digitalization. So go with digitalization could be more advantageous for new students. Another thing is that those students who are embracing the elective paper for them there should be insulated fieldwork as per their particular paper field. We had less paraphernalia for practical paper if it has solved the problem then sigh, otherwise it should also be deciphered.

7.	How do you rate the usefulness of curriculum of the programme/degree in fulfilling your expectations?	✓				
8.	How do you rate the usefulness of the curriculum in terms of employability?		✓			

Suggestions for further improvement of curriculum:

Everything is fine in our course, but it needs some improvements like addition of optional papers political geography, cultural geography etc. Also there should be some provision for the field works so that students can raise their practical knowledge for the curriculum. There should be arrangement of more study materials.

8.	How do you rate the usefulness of the curriculum in terms of employability?				✓	

Suggestions for further improvement of curriculum:

I would like to suggest that there should be proper availability of study material related to every subject in sufficient quantity

The learning should be on ground level also as it would not be limited to the books only.

8.	How do you rate the usefulness of the curriculum in terms of employability?		✓			

Suggestions for further improvement of curriculum:

With having more than 1.5-year experience, I would like to mention some point I observed during this period.

1. Syllabus is suitable and also very fertile for master's degree programme, but some fruitfully assessment test (focusing on competitive exams) should organize to increase Intellectual capacity of students and to develop Intellectual environment in department.

2. Facility should increase syllabus of 'GIS and Remote Sensing' paper's and also practical time period for GIS. Because many of the students came from encyclical background. The thing they need most is time, so that they can practice as much as they can and improve their geospatial skills. This would also give a new direction to department in field of Geospatial Technology.

3. As we know more than 90% of students came from their home state Haryana, and it is obvious that this is agrarian state but somehow a little number of students are those who are un aware about the basic crops (name/production). I think all students must have practical knowledge of the same. So, a little survey cum trip could be held in nearby villages for better understanding of crops/soil etc.

4. Yeah, UGC/CSIR NET Exam and competition Exams topic's like (Physical Geography; Geomorphology) are included in courses of study, but we can make that more Sapiential by giving a little more attention/focus by teacher.
5. Here we have many optional subjects to choose whereas due to lack of faculty (or may other reasons) we are unable to avail them, I urge head of the department to look into it so that students can get ambient dimensions in the Field of interest.
6. Some teachers complete their syllabus very soon due to contestation or to free their self-earlier. If there is any criterion regarding this it would be helpful for students.
7. Lecturer series, Quiz, other competition should be organized by Geographical Association with regular interval of time for multidisciplinary growth among students.

1.	How do you rate the system followed by the University in designing and developing the curriculum?	✓				
2.	How do you rate the overall structure of the existing curriculum?		✓			
3.	How do you rate the depth in the contents of the existing curriculum?		✓			
4.	How do you rate the offerings of electives in relation to the latest trend in the subject?		✓			
5.	How do you rate the effectiveness of the existing curriculum in developing research aptitude in students?		✓			
6.	How do rate the balance between theory and practicals/applications in the existing curriculum?		✓			

Suggestions for further improvement of curriculum:

The syllabus is as per the current trends in the field. However the feedback from the industry need to be taken for future revision of syllabus.

1.	How do you rate the system followed by the University in designing and developing the curriculum?		✓			
2.	How do you rate the overall structure of the existing curriculum?		✓			
3.	How do you rate the depth in the contents of the existing curriculum?		✓			
4.	How do you rate the offerings of electives in relation to the latest trend in the subject?			✓		
5.	How do you rate the effectiveness of the existing curriculum in developing research aptitude in students?			✓		
6.	How do rate the balance between theory and practicals/applications in the existing curriculum?			✓		

Suggestions for further improvement of curriculum:

There is a need to wrap the website of the University, so that the curriculum is available and easily accessible to obtain the views of students and other stake holders. Open electives may be offered in a more liberal manner, so that they are not restricted only to the dept. within the faculty. Curriculum may be redesigned to plug the gap between theory and practicals and to make them relevant to industry.

Suggestions for further improvement of the curriculum: *

When it comes to the subject we study in our department it is quite satisfying taking in view of the level of students studying here. Since I am a passout from university of delhi I found this syllabus quite behind of its time. I had already studied 70 percent of these subjects in my graduation only(i.e in bsc hons). So I didn't feel these subjects helping me out in my future career. This is the main reason that students from DU or IPU are not willing to opt their PG course from this department.

ANOTHER main reason I was disappointed with laboratories are pathetic here and we get no coding environment. Only thing students do here copying each others file work or from their seniors. Lab incharge should be more strict. FINALLY I would like to say I have got best teachers here with whom we can interact anytime anywhere with our open heart for all our problems.

Suggestions for further improvement of curriculum 14 responses

NO COMMENT

practicals should of 4 credit

NONE

Curriculum should be revised as per need of teachers and students.

In my opinion, option for elective subject should be inter faculty.

Syllabus need to revised in the light of above

No suggestion in this google form.

The syllabus is already fine

It should be more oriented towards competitive exams.

A research project may be allotted to the top 10% students of the each branch.

Projects and industrial training should be a part of the curriculum

We may include either industrial training or research project for Master students in final year. Or under self-financing scheme M.Sc. (Honours) may be started which has research as inbuilt part of curriculum with 21 seats.

We should include research methodology in our existing syllabus

Selection of open elective should be more broader

Suggestions for further improvement of curriculum 134 responses

No

.

Nothing

No

No suggestion

No suggestion

Nothing

None

study material should be provided

None

No idea

No suggestions

No suggestions

There should be Projects in final year. Students can test their interest in research through this.

Very good department

No change

Avoid online classes

More application based activities and hands on skill in real time should be included

Kindly include the internships and project work excluding some theory portion so that we can get some knowledge about research work so that we can develop our skills.

All good.

Management is not good

black board use

no any

Syllabus should be completed at time.

Not required

Syllabus should be completed at time

No comment

Training and internship must be included in course.

No idea

Raghu
18/07/2022
Chairperson
Department of Chemistry
K.U. KURUKSHETRA

You have to complete syllabus on time

Notes will be provided

Work more on the practical aspect also

Offline mode

No Any

More reading material

Start mentor program so that students can discuss their problems, thinking with teacher and improve themselves

SFS courses has no permanent faculty so atleast two permanent faculty must be for SFS course

Make advanced technology a constant in courses offered

Study material should be provided by the teachers , there should be more interaction between student and teacher .

.

Curriculum should be flexible.Syllabus should be reduced

Nothing else

Overall curriculum is fine

Department library should opened for more time

Provide the reading material before the lecture so we go through the topic and understanding become easy

It's going perfectly.

Should include new technologies

many improvement required

...

I have good experience

Good

..

Offline classes are must and there should be project included in course. Knowledge regarding research should be included in course.

Practicals are repeating.

Start intenship program

Interactive classes/communication between teacher and student. stress management lectures along with studies. timely lectures instead of adjustmemts many times. co ordination among teachers-teachers,students-students,students-teacher,and especially lab attendants and students. Equipments/materials which are available in the lab should be provided to every student instead of just letting them waste their time and waiting for 2,3 days for a single equipment to perform their practicals.

Reading Material should be provided

--

Very Good Department

Project work must be there, regular test, syllabus must be complete before 1 month

Internship programme should be started

For open elective subjects students prefrence should be given importance rather than bsc marks so they can study wht they want else for msc everything is quite good

Rajhar
18/07/2022
Chairperson
Department of Chemistry
K.U. KURUKSHETRA

Not any suggestions

Mam start syllabus such a way that one or two teacher will complete a paper not like different teacher teaches different sections

New research related papers and inventions can be discussed with the students and visits to various companies and chemical plants can be done

NO suggestions

Need of last semester to be completely offline

More awareness about future opportunities should be there.

More material for reading

Study Material should be accessible to students atleast in case of online classes.more focus should be on clearing concepts.

I only want to give sugesstion that every teacher should provide study material properly

To add more technologies

Make advanced technology a constant in course

Overall curriculum is fine.

Focusing on practical classes

No comments

By providing the opportunity to reduce test anxiety in students and help build content mastery.

Training or internship program should be added

Is just getting the students to get the best grade they can and help them get a degree

Should be purchase the instruments on Sceince department , hostel facility , mainly takes minimum charges form hostel .

Should include more conceptual topics. That would be interesting.

I think it is good

Syllabus should be completed on time.

Need improvement

Students must get a platform where they can learn about more opportunities instead of having an option to follow the herd of sheep. They must be provided with diverse sphere where they can explore more instead of sticking onto the books , learning must be made more interesting . Instead of focusing on completion of syllabus , they must be guided about how to tackle the various sections , how to incorporate new skills related to the subject . Various employability sector must be put forward amongst them .

Open elective subject should be given on the basis of interest rather than merit of b.sc score.

It should be more arranged & should be more convenient for the students.

please provide the reading material

More brief syllabus

Classes should be conducted in offline mode

Everything is ok

Offline classes

There can be research meets and educational trips to various companies and chemical plants so that practical knowledge can be enhanced.

Great

Everything is fine. No need of improvement

Rayhav
18/07/2022
Chairperson

Suggestions for further improvement of curriculum 49 responses

No

NA

Ok

No suggestions

There should be an addition of Master Dissertation project and thesis in final year, which will increase scientific temper among students. In place of seminar, there can be literature review.

If possible, then please include representative from colleges also (for inclusive decision)

Kindly increase the practical marks of Chemistry of under graduate courses, so that students do practical seriously and it will definitely improve the quality and knowledge of the upcoming chemist generation.

Everything is good in chem dept.

All is good

Knowledge of scifinder and various publications to students and about their impact factor

Please add some project work for students

Rayhav
18/07/2022
Chairperson
Department of Chemistry
K.U. KURUKSHETRA

To introduce some training hours for students in final year, wherein they demonstrate their practical/teaching knowledge to their juniors. Certain personality development and communication workshop can be introduced for the students atleast once a year.

Theory part is excellent but in practical, some experiments related to industrial requirement and latest technology can be included if possible.

I got the praised everywhere that I attended this prestigious department and still in my resume it is highlighted

Some more natural Or green chemistry include in curriculum

Have to see the curriculum. Only then can give suggestions.

All okk

Some latest topics in trend can also be added.

Please make some project a part of the curriculum.

Can include more spectroscopy related practicals

Take job trends into consideration and make advanced technology a constant in courses offered
N.A

More emphasis should be on Applied chemistry.

The only one and strong suggestions is thatinstead of focusing more on the theory or cramming part....the last sem or the last year.... students should work on a project...in which they will be familiar with the future lab work and instruments and they can develop there thinking skill to think in a new direction. Almost half of the theory they are studying now is already studied in bachelor's. So, if they work on a project here for sometime ...this will help to decide their future plan ..where and what to pursue. The main benefit of this project will be that...they will not face any problem in interview for higher studies in central big institutes. Recently I saw 7-8 students ...some are my juniors...they are very good in concepts but..they fail to get admission because they don't have any experience related to research. Thank you and sorry if I have written anything wrong

Include the characterization techniques like FESEM, HRTEM ... in the syllabus

Can also arrange internship research programs at m.sc level for students in their choice of research area

Its perfect

There should be a project for final year students .

It's fine

No need

Current topics for nanomaterials and its application can be added as open elective course or as an add-on- course

Nothing

Improvement can be done as per latest requirements

Include a project in the final year to let the students explore their potential for subject.

Curriculum is perfect

Choice of elective paper should be from inter specialization of chemistry or within the applied chemistry streams of chemistry.

There should be inclusion of some topics according to current trends in chemistry like nano chemistry, combinatorial synthesis, green chemistry etc.

Rayhar
18/07/2022
Chairperson,
Department of Chemistry
K.U. KURUKSHETRA

Industrial processes and methods should also be included
It should include dissertation.
Syllabus should be made according to NET syllabus.

Suggestions for further improvement of curriculum

Academics and Administration are the building block for the student's developments and welfare. The teaching style and the way it is organized can be improved, though it is good how teachers teach the things. But little bit more transformation can bring more fruitful results and can also help in improving student's interest in the field they are studying in.

		Excellent	Very Good	Good	Average	Poor
1.	How do you rate the system followed by the University in designing and developing the curriculum?	√				
2.	How do you rate the overall structure of the existing curriculum?	√				
3.	How do you rate the depth in the contents of the existing curriculum?	√				
4.	How do you rate the offerings of electives in relation to the latest trend in the subject?	√				
5.	How do you rate the effectiveness of the existing curriculum in developing research aptitude in students?	√				
6.	How do rate the balance between theory and practicals/applications in the existing curriculum?	√				

Suggestions for further improvement of curriculum:

1. The topic “Environmental components and their interactions” in Unit-IV of MES-101 is again appeared as “Interaction between atmosphere, hydrosphere and lithosphere” in MES-102, a sort of repetition and can be deleted from MES-102.
2. The topic “Renewable & non-renewable resources” in Unit-I of MES-201 can be shifted to Unit-II of MES-201.
3. The topic “Air quality standards” in Unit-I of MES-203 is again appeared in Unit-III of MES-303 which can be deleted from one place.

Suggestions for further improvement of the curriculum:

As per Industrial trend please more focus on Practical approach to the subject and Site Visit and Industrial Tours are plays very important role towards the overall growth of the

student towards their subject. And also update the recent Industrial trends and New Enovation and arrange one mandatory lecture of Personality Development which includes proficiency of English language both in writing and speaking, letter/application writing etc.

Suggestions for further improvement of the curriculum:

The overall structure and design of the course is very relevant to the subject. Inclusion of elective subjects helps students to choose the course of their interest.

In my view, there should be more career guidance for the students like opportunities in the industry as well as research sectors. The frequency of expert lectures and industry and research lab tours can be increased if possible.

6.	How do rate the balance between theory and practicals/applications in the existing curriculum?		✓			

Suggestions for further improvement of curriculum:

Forensic Nanotechnology, Forensic Sensing, Environmental Forensic and Food forensic are the few name of new trends in the forensic sciences research, if some of them could be the part of this curriculum would be highly appreciated and it can definitely help to the students to aware about the current trends in forensic research and develop research aptitude in the students. Project based and problem solving pedagogies are the current initiative has been taken by various institutions in India that not only enhance the quality of teaching and learning but also develop the various skills in the students which may develop via learning by doing approach.

Some more suggestions on curriculum are given below-

1. In the PSO4, using research based knowledge, problem solving expertise and robust communication skill student should also need to build the **skill of scientific inquiry** for forensic science.
2. In PSO5 and PSO6 please use the term student rather than youth.
3. Forensic physics should come first and Forensic Ballistic and explosives come later in the semester.
4. Biometrics should also teach after Dactylography. So, in my suggestion, Dactylography should either be in Semester 1 or 2 rather than semester 4.
5. DNA Profiling is an advance course, so it could be mutually exchange with Dactylography Subject.
6. Paper MFSC 101- CO2- Please use the same terminology in the all outcome. Instead of "Learner" please use "students".

3.	How do you rate the offerings of electives in relation to the latest trend in the subject?	√				
4.	How do you rate the usefulness of the programme/degree in developing your personality?		√			
5.	How do you rate the sequence of courses included in the syllabus?		√			
6.	How do you rate the availability of reading material regarding the curriculum?	√				
7.	How do you rate the usefulness of curriculum of the programme/degree in fulfilling your expectations?	√				
8.	How do you rate the usefulness of the curriculum in terms of employability?	√				

Suggestions for further improvement of curriculum:

Please focus more on such a curriculum which will includes maximum practical exposure so that students will feel comfortable while they start working as a fresher in their respective domains, it would be great if we see more vocational trainings so that students will gain confidence and have more practical knowledge.

Suggestions for further improvement of curriculum:

When I passed my masters, I must mention, the faculty's dedicated efforts helped me understand the subject concepts very well and course curriculum was best to help students qualify national level entrance examinations for higher studies. When I joined the department in 2015 as faculty, I too contributed in revising the course, however I feel, it needs revision for elective subjects, in particular, to help students get more relevant practical knowledge.

Format for collecting feedback from ALUMNI for design and revision/review of the curriculum of the programme/degreeM.Sc. Biochemistry..... (Name of the programme/degree)

Session:2011-2013.....

Sr. No.	Question	Your Response (Please tick one appropriate box)				
		Excellent	Very Good	Good	Average	Poor
1.	How do you rate the relevance of the courses/papers in relation to the degree/programme?		✓			
2.	How do you rate the offerings of electives in relation to the latest trend in the subject?	✓				
3.	How do you rate the courses/papers that you have studied in relation to your current job?			✓		
4.	How do you rate the usefulness of the programme/degree in developing your personality?	✓				
5.	How do you rate the sequence of courses included in the syllabus?		✓			
6.	How do you rate the availability of reading material regarding the curriculum?	✓				
7.	How do you rate the usefulness of curriculum of the programme/degree in fulfilling your expectations?		✓			
8.	How do you rate the overall structure of the curriculum of the programme/degree you have passed?		✓			

Suggestions for further improvement of curriculum:

Improvement of curriculum with respect to Practicals of Biochemistry and Dissertation must be need in M.Sc. (F) semester

Name: Raman Kumar

Year of completing your degree from KUK: 2013

Raman Kumar

Signature of the Alumni

Format for collecting feedback from ALUMNI for design and revision/review of the curriculum of the programme/degree M.Sc Biochemistry.... (Name of the programme/degree)

Session:

Sr. No.	Question	Your Response (Please tick one appropriate box)				
		Excellent	Very Good	Good	Average	Poor
1.	How do you rate the relevance of the courses/papers in relation to the degree/programme?	✓				
2.	How do you rate the offerings of electives in relation to the latest trend in the subject?		✓			
3.	How do you rate the courses/papers that you have studied in relation to your current job?			✓		
4.	How do you rate the usefulness of the programme/degree in developing your personality?			✓		
5.	How do you rate the sequence of courses included in the syllabus?	✓				
6.	How do you rate the availability of reading material regarding the curriculum?		✓			
7.	How do you rate the usefulness of curriculum of the programme/degree in fulfilling your expectations?			✓		
8.	How do you rate the overall structure of the curriculum of the programme/degree you have passed?		✓			

Suggestions for further improvement of curriculum: The educational content should be chosen and prepared in a simple method for better outcomes. Curriculum should improve personality development programmes for students. Teachers too mainly focus on academic work so to fit in this competitive scenario personal development is as much important as academic development.

8.	How do you rate the overall structure of the curriculum of the programme/degree you have passed?		✓			

Suggestions for further improvement of curriculum:

- ✓ Electives subject may be : Artificial Intelligence in Biology1 , Molecular Cloning.
- ✓ Guidance Oriented seminars must be organised regularly to aware about the opportunities in our field.
- ✓ Msc. Dissertation must be compulsory for the students to compete with other specialised students of other field. This made our students more energetic & confident.
- ✓ Is it able to revised our course from Biochemistry to Medical Biochemistry (which is 3 yr oriented course like in NIMS Jaipur, Santosh University ,Ghaziabad).
- ✓ This opens an opportunity for our students to become an Demonstrator in Medical and dental colleges.

Format for collecting feedback from Teachers for design and revision/review of the curriculum of the programme/degree M.Sc. Biochemistry (name of the programme/degree)

Session: 2021-22

Sr. No.	Question	Your Response (Please tick one appropriate box)				
		Excellent	Very Good	Good	Average	Poor
1.	How do you rate the system followed by the University in designing and developing the curriculum?		✓			
2.	How do you rate the overall structure of the existing curriculum?	✓				
3.	How do you rate the depth in the contents of the existing curriculum?			✓		
4.	How do you rate the offerings of electives in relation to the latest trend in the subject?		✓			
5.	How do you rate the effectiveness of the existing curriculum in developing research aptitude in students?			✓		
6.	How do rate the balance between theory and practicals/applications in the existing curriculum?			✓		

Suggestions for further improvement of curriculum:

Curriculum is revised on regular basis but overall curriculum needs to be revised with introduction of new course papers relating to latest trend in the subject and to increase the research aptitude amongst students

Format for collecting feedback from ALUMNI for design and revision/review of the curriculum of the programme/degree M.A. Women's Studies (name of the programme/degree) Session: 2010-2012

Sr. No.	Question	Your Response (Please tick one appropriate box)				
		Excellent	Very Good	Good	Average	Poor
1.	How do you rate the relevance of the courses/papers in relation to the degree/programme?		✓			
2.	How do you rate the offerings of electives in relation to the latest trend in the subject?		✓			
3.	How do you rate the courses/papers that you have studied in relation to your current job?		✓			
4.	How do you rate the usefulness of the programme/degree in developing your personality?	✓				
5.	How do you rate the sequence of courses included in the syllabus?		✓			
6.	How do you rate the availability of reading material regarding the curriculum?		✓			
7.	How do you rate the usefulness of curriculum of the programme/degree in fulfilling your expectations?	✓				
8.	How do you rate the overall structure of the curriculum of the programme/degree you have passed?	✓				

Suggestions for further improvement of the curriculum:

It would be great if we can minor change in our syllabus (to see other institute syllabus). And I think last time I have also suggested that we should start Dissertation regarding and related to Gender issues.

All feedback forms received from students, teachers, Alumni's other stakeholders are analysed by the staff council and decided to incorporate all the suggestions regarding updation of Syllabi, extra-curricular activities, field work etc. in syllabi to be updated soon in the session 2021-22. Provision of field work is already in syllabi in optional papers. Field visits and other activities are stopped due to COVID-19 situation and will be started as the situation normalized.

Feedback about curriculum by the Departmental Head (2019-20)

Department.....*Hindi*.....

Name of the Head of the Department...*Dr. (Mrs.) Pratima Sharma*...

- पाठ्यक्रम नैतिक मूल्यों को सुदृढ़ करता है
- विद्यार्थियों के लिए उपयोगी है।
- पाठ्यक्रम को दोहराया जाता है।
- पाठ्यक्रम विद्यार्थियों के व्यक्तित्व में गिरावरे लाता है।

सुझाव :

- पाठ्यक्रम प्रयोजनमूलक व आजीविका-अर्जन हेतु होना चाहिए
- पाठ्यक्रम संक्षिप्त होना चाहिए जिससे विद्यार्थियों में सही उत्पन्न हो

पाठ्यक्रम : हिंदी नाटक

पाठ्यक्रम कोड : MAH204 (क्रेडिट - 4)

पाठ्यक्रम का उद्देश्य

हिंदी नाटक व लगभग से परिचय।

पाठ्यक्रम के अपेक्षित परिणाम

नाटक लेखन व उसके प्रस्तुतीकरण के विविध पहलुओं के बारे में मूल्य टिप्पणी करें।

परीक्षा के लिए निर्देश व अंक विभाजन

समय 3 घंटे

कुल अंक 100 (परीक्षा अंक - 80, आलोचनात्मक प्रश्न - 20)

- व्याख्या : पाठ्यक्रम में निर्धारित रचनाओं में से दो पाठ्य दिए जाएंगे। परीक्षार्थी को एक की संदर्भ सहित व्याख्या करना होगा। इसके लिए 8 अंक निर्धारित हैं।
- पाठ बोध : पाठ्यक्रम में निर्धारित रचनाओं में से एक पाठ्य व एक या अधिक पाठ्य चुनकर दिए जाएंगे। परीक्षार्थी को पाठ के आधार पर उनके उत्तर देने होंगे। इसके लिए 12 अंक निर्धारित हैं।
- आलोचनात्मक प्रश्न : पाठ्यक्रम में निर्धारित प्रत्येक रचना से जातिविकार के लिए आलोचनात्मक प्रश्न पूछे जाएंगे। परीक्षार्थी को आलोचनात्मक प्रश्न से उत्तर देना होगा। प्रत्येक के लिए 12 अंक निर्धारित हैं। यह खंड कुल 36 अंक का होगा।
- त्रुटि उतरी प्रश्न : दूत पाठ के लिए निर्धारित रचनाकार/रचनाओं का परिचय रूप संदर्भ, विषयवस्तु, भाषा, प्रासंगिकता आदि पर केंद्रित 7 प्रश्न दिए जाएंगे। परीक्षार्थी को प्रत्येक 4 का उत्तर (लगभग 250 शब्दों में) देना होगा। प्रत्येक के लिए 5 अंक निर्धारित हैं। यह खंड कुल 20 अंक का होगा।
- वस्तुनिष्ठ : समस्त पाठ्यक्रम में से 8 वस्तुनिष्ठ प्रश्न दिए जाएंगे। प्रत्येक 1 अंक का होगा। यह खंड कुल 8 अंक का होगा।

पाठ्यक्रम

(क) आलोचनात्मक प्रश्नों के लिए

→ मुख्य नाटक के पाँच-पाँच प्रश्न देवर्षि को

× धर्मवीर भारती - अंधा युग - 'एक और द्रोणाचार्य'

मोहन राकेश - आषाढ का एक दिन

× स्वदेश दीपक - कोर्ट मार्शल - 'सिंदूर की होली'

→ इसमें भी आलोचनात्मक प्रश्न, व उनके प्रश्न रूप में पूछे जा सकते हैं, अतः पाठ्य रचनाओं को ध्यान से पढ़ना है।

(ख) दूत पाठ के लिए

पारसी शिवेटर, भारतेंदु हरिश्चंद्र, जयशंकर प्रसाद - कंकुभूत, लक्ष्मीनारायण

नात - सिंदूर की होली, हवीर, आगरा बाजार, संकर शंभ - एक और द्रोणाचार्य,

हिन्दी-विभाग
कु. वि. कुलक्षेत्र

पाठ्यक्रम : भारतीय साहित्य
पाठ्यक्रमकोड : MA11304 (क्रेडिट - 4)

[Handwritten notes in Hindi, partially obscured by a yellow highlighter]

पाठ्यक्रम का उद्देश्य

भारतीय साहित्य से परिचय।

पाठ्यक्रम के अपेक्षित परिणाम

भारतीय साहित्य की समग्र विकसित होगी। भारतीय साहित्य में अभिव्यक्त मूल्यों से परिचय होगा। राष्ट्रीय एकता के मूलों से अवगत होंगे।

परीक्षा के लिए निर्देश व अंक विभाजन

(समय 3 घंटे)

कुल अंक 100 (परीक्षा अंक - 80, अवधिक मूल्यांकन - 20)

- **व्याख्या** : पाठ्यक्रम में व्याख्या के लिए निर्धारित रचनाओं में से विकल्प सहित दो पाठों दिए जाएंगे। परीक्षार्थी को संदर्भ सहित व्याख्या करनी होगी। प्रत्येक के लिए 8 अंक निर्धारित हैं। यह छह कुल 16 अंक का होगा।
- **आलोचनात्मक प्रश्न** : पाठ्यक्रम में निर्धारित (इकाई 1, 2 व 3) विषयों से आलोचक विकल्प सहित एक-एक आलोचनात्मक प्रश्न पूछे जाएंगे। परीक्षार्थी को आलोचनात्मक दृष्टि से उत्तर देना होगा। प्रत्येक के लिए 12 अंक निर्धारित हैं। यह छह कुल 36 अंक का होगा।
- **संक्षुप्त उत्तरी प्रश्न** : दस पाठों के लिए निर्धारित रचनाकारों का साहित्य परिचय, मूल संवेदना विषयवस्तु, भाषा, प्रासंगिकता आदि पर निर्दिष्ट 7 प्रश्न दिए जाएंगे। परीक्षार्थी को किन्हीं 4 का उत्तर (लगभग 250 शब्दों में) देना होगा। प्रत्येक के लिए 5 अंक निर्धारित हैं। यह छह कुल 20 अंक का होगा।
- **वस्तुनिष्ठ** : समस्त पाठ्यक्रम में से 8 वस्तुनिष्ठ प्रश्न दिए जाएंगे। प्रत्येक 1 अंक का होगा। यह छह कुल 8 अंक का होगा।

पाठ्यक्रम

(क) आलोचनात्मक प्रश्नों के लिए

इकाई -1. भारतीयता : बहुसांस्कृतिकता, बहुभाषिकता व बहुधार्मिकता, भारतीय साहित्य और भारतीयता, भारतीय साहित्य का स्वरूप, भारतीयता का समाजशास्त्र, भारतीय साहित्य के अध्ययन की समस्याएं, भारतीय साहित्य में आज का भारत, भारतीय साहित्य और भारतीय मूल्य.

 पाठ्यक्रमकोड MAH003 (कीट - 4)

हिंदी भाषाकक्षा जीवनी, समाज व वैश्विक भाषाकक्षा में दिया
 पाठ्यक्रम के अपेक्षित परिणाम
 हिंदी भाषाकक्षा जीवनी, समाज व वैश्विक के तहत दी जावारी जावेगी।

परीक्षा के लिए विद्यार्थी व अंक विभाजन

कुल अंक 100

प्राथमिक अंक - 80, आंतरिक मूल्य अंक - 20

- व्याख्या : पाठ्यक्रम में निर्धारित रचनाओं में से विकल्प एक रचित करना दिया जायेगा। परीक्षार्थी को हरसे अधिक व्याख्या करनी होगी। इसके लिए 5 अंक निर्धारित हैं। यह सब कुल 5 अंक का होगा।
- पाठ बोध : पाठ्यक्रम में निर्धारित रचनाओं में से एक पद्यांश व उस पर आधारित चार प्रश्न दिये जायेंगे। परीक्षार्थी को पाठ के आधार पर उनके उत्तर देने होंगे। इसके लिए 5 अंक निर्धारित हैं।
- आलोचनात्मक प्रश्न : पाठ्यक्रम में निर्धारित पाठ्यक्रम से आलोचक विकल्प तैयार करना एक प्रश्न दिया जायेगा। परीक्षार्थी को आलोचनात्मक ढंग से उत्तर देना होगा। प्रश्नक के लिए 12 अंक निर्धारित हैं। यह सब कुल 16 अंक का होगा।
- संपूर्ण उत्तरी प्रश्न : दूरी पाठ के लिए निर्धारित रचनाकारों का सृष्टिक परिचय, मूल संवेदन, विषयवस्तु, भाषा, पारंगिकता आदि पर तैयार प्रश्न दिए जायेंगे। परीक्षार्थी को किसी से का उत्तर (लगभग 250 शब्दों में) देना होगा। प्रश्नक के लिए 5 अंक निर्धारित हैं। यह सब कुल 20 अंक का होगा।
- वस्तुनिष्ठ : समस्त पाठ्यक्रम में से 8 वस्तुनिष्ठ प्रश्न दिए जायेंगे। प्रश्नक 1 अंक का होगा। यह सब कुल 8 अंक का होगा।

पाठ्यक्रम

(क) आलोचनात्मक प्रश्नों के लिए - (क) के लिए विकल्प उत्तरी रचनाकारों का परिचय देना होगा।

आत्मकथा - रामचंद्र विठ्ठल - निज जीवित चरित्र
 जीवनी - प्रभाकर - आकाश महीला
 हस्तमरण - विजय शर्मा - मौत के इलाक़ में

अध्यक्ष
 हिन्दी-विभाग
 कुल शिक्षा, कुशीनगर

(ख) व्याख्या व वैश्विक - रामकृष्ण शर्मा - गुरु और गुरुत्व

कुल पाठ में से निम्नलिखित रचनाएँ देनी होंगी -
 आत्मकथा, जीवनी, हस्तमरण, व्याख्या व वैश्विक।

पाठ्यक्रम अनुवाद और शोध-प्रविधि
पाठ्यक्रम को MA11404 (क्रेडिट - 4)

पाठ्यक्रम का उद्देश्य
अनुवाद और शोध-प्रविधि में परिचय।

पाठ्यक्रम के अपेक्षित परिणाम

अनुवाद का सैद्धांतिक और व्यावहारिक ज्ञान होगा। शोध की प्रक्रिया तथा प्रस्तुत करने की विधि का परिचय मिलेगा।

परीक्षा के लिए निर्देश:

समय 3 घंटे।

कुल अंक 100 (परीक्षा अंक - 80, आंतरिक मूल्यांकन - 20)

प्रश्न पाठ तीन खंडों में विभक्त होगा।

- समीक्षात्मक खंड - निर्धारित पाठ्यक्रम में प्रत्येक पुस्तक से आंतरिक विकल्प सहित एक-एक समीक्षात्मक प्रश्न पूछा जाएगा। प्रत्येक 12 अंकों का होगा। यह खंड कुल 48 अंकों का होगा।
- तथु-उत्तरीय खंड - निर्धारित पाठ्यक्रम में से 7 प्रश्न दिए जाएंगे। परीक्षार्थी को किसी 4 का उत्तर देना होगा। प्रत्येक का उत्तर लगभग 250 शब्दों में हो। प्रत्येक के लिए 6 अंकों निर्धारित हैं। यह खंड कुल 24 अंकों का होगा।
- वस्तुनिष्ठ खंड - समस्त पाठ्यक्रम में से 8 वस्तुनिष्ठ प्रश्न दिए जाएंगे। प्रत्येक 1 अंक का होगा। यह खंड कुल 8 अंकों का होगा।

Note - अधिसूचना पत्रों में अध्यात्म ग्रंथों के प्रकाशन
का उद्योग नहीं है।

भारतीय साहित्य शास्त्र

सुझाव

इकाई III - मन्थनर उपर्युक्त पेपर का नाम यदि भारतीय साहित्य शास्त्र ही रखा जाए तो अच्छा है क्योंकि ऐसा करने से जो अन्य उपयोगी सिद्धान्त से वे छूट गए हैं यथा मन्थनर सिद्धान्त, औचित्य सिद्धान्त, रीति संप्रदाय आदि।

इकाई III - रीतिकालीन हिन्दी आचार्यों का साहित्य चिन्तन में आचार्यों के नाम दिनें जाएं

Note - पेपर का नाम बदलकर जबरदस्ती इसी इकाई में आचार्य शुक्ल, प्रेमचन्द और मुन्निबोषा को रखा गया है, इन साहित्यकारों को यहाँ सम्मिलित करना पूर्णतया अप्रासंगिक है क्योंकि इनके ऊपर अलग से पेपर है। ऐसा करना भारतीय साहित्य शास्त्र की गरिमा के अनुकूल नहीं होगा।

ए को पाठ्यक्रम में रचना प्रासंगिक नहीं है। इन सभी नामों ने किसी नए सिद्धान्त का प्रतिपादन भी नहीं किया।

अध्यक्ष
हिन्दी-विभाग
वि. कुम्हार

Suggestions for further improvement of curriculum:

No doubt, we have one of the best teachers of University in our Institute - IAS. As we know that there are some international students are also in our class, so most of our teachers delivers the lecture mostly in english. There are many students include me in our class from IIST background, so they are unable to understand lecture in english, no doubt, there is no fault of our teachers. But I am requesting to take an eye on us also, make an arrangement by WADA both the national and international students to be satisfied.

Shrini

All technology trends should be included in the syllabus like Artificial Intelligence, Data Science, Machine Learning, Full Stack Development, Cloud Computing etc.... and somehow these are included in syllabus but these are not taught by teachers after choosing them as an elective subject.

Current curriculum only focuses on legacy subjects and is unable to give an insight of how things actually work in industry to the students. Any subject in current B.Tech CSE curriculum neither helps in building the a software product nor in providing any software services that matches the industry standards!

Suggestion: Replace the legacy subjects with some subjects that can actually impart some industrial knowledge to students!

Need to focus on the emerging technologies with more enthusiasm and support. Encourage students to develop a high tech environment with flexibility.

Over all performance is great.

UIET should try to give the results soon.

Evrythg thing was very good, no need to improve.

There should be some other activities than to just study as it refreshes mind.

There should be more practical knowledge rather than just focussing on theory. Also, placements for ECE should be looked into as there were minimal companies that came for recruitment in core ECE.

Proper placement of subjects throughout semesters

Programming language

More focus should be on practical learning instead of theory.

Previous year questions paper should be provided

More practical work Less stress and work load on students

Same subject lecture should be not more than 1 hours

Everything is enough good.

Improvement required in usefulness in employability of curriculum.

English speaking should be made compulsory for the students.

In last year more subjects should be related to increasing our change of selection in interviews

Please extend weekly classes in control system or more hour

NO

Overall very good Not necessary to change it

Most are focusing on subjects and attendance while it's only important for those who are preparing for Gate Exam so there should be a different classes and which are not interested in this they have should different classes.

Curriculum is ok

Provide more books in the library

Need more practical knowledge

Subject and topics must be more practical and placement oriented instead of useless graphs we any one can attain online in a second.

No need to improvement

Nothing else

Curriculum is good but the behaviour of some teachers is not good

Do focus on developing skills related to programme instead of giving theoretical knowledge

Focusing more on practicals than just theory

If possible please teach all topics practically. Thanks

There must be more practical knowledge and subjects according to latest technology

.no change

1) There should be more clubs for students both educative and extra curricular. 2) Classes should be more technical rather than just the theory. 3) Labs periods should be handled more efficiently by teachers. 4)

There should be more bonding of students with their respective teachers and seniors. 5) There should be some trips for the students to their respected highly settled organizations/companies so as to feel/stay

motivated e.g. ISRO, GOOGLE, MICROSOFT, DRDO etc.

Curriculum should be followed by Every Teachers. Our Syllabus must be completed on time. Every Unit should be given equal time so that students will get crystal clear concepts regarding the subject.

The curriculum should be based on current industrial trend and requirements.

The course could work more towards the practicality and applicability of the topics taught theoretically.

Provide good content

Shrini 15

Syllabus are not completed in given time

Institute should more focus on improving practical exposure for the students. There should be some sessions about career, placements, need of corporate world etc. by the experienced teachers as well as alumni also in every week.

Please reduce the topics in the syllabus

...

Make curriculum more objective and practical

1) test your teachers(teaching staff), they will definitely fail in their respective subjects except some few 2) avoid proxy attendance, done by your teachers, they show twice or thrice of the numbers of classes taken by them on record 3) curriculum is not up to date here, that is also main problem here 4) remove redundant subjects from syllabus, example include x86 micro processor course in cse 5) subjects like mathematics must be taught and include only those topics that will help students in their respective streams they have chosen

The Syllabus is based on old methods and no new technology knowledge is provided. New Employability skills should be taken into consideration

Some books are not in library

Sequence of courses should be changed

It is important that job trends also be taken into consideration when the curriculum is decided upon

Good experience

Teach practically

Help the students to get job, means help students to aware about company or their selective procedure and their interview round

Add programming language as a subject

Yes

Should be better in the sequence of topic in the unit courses

There very less companies placement for Mech. Most of the companies focus on Utech students

Practical knowledge can be improvised

More focus on practical learning.

Yes please

1. A 6 months internship for final year students in 8th semester is highly important as it gives ample amount of opportunity to hone professional skills in an organization's environment as well as provide better job opportunities. Also the certificate of internship and marks given by mentor in internship itself should be considered for grading of 8th semester, instead of theory exams. 2. I request the college management to contact the agencies of national security(if needed I will tell the specific names of organizations as well) as soon as possible and arrange a campus placement drive/ talent hunt drive for final year students this year i.e 2022-2023 session only(I can help the senior management with this suggestion and address all the further queries that will arise regarding this suggestion. This is a google form, I can't write much here) 3. Some irrelevant subjects should be removed from 1st year and more stream specific subjects should be added such as Data structures should be added in 2nd sem which should contain basic introduction and lighter coverage of topics of Data Structures. Its syllabus that is in 3rd sem should remain intact with this change so that the dual revision will make the CSE students more employable and skillful engineer, 4. MoUs Should be signed with organizations like DRDO, BEL, CSIO so that students can get internship there.

(16)

Shrini

more practical approach needed

Our syllabus is out of date and it needs some modern changes and also practical work plays a important role so it also must be improve

It's a humble request that English language should be improved when teaching.

Topics should be arranged from easier topic to the hardest topic

From my side all is good.

Some subjects books are not available like instrumentation and control in library or book store. So please suggest a good book.

Everything is good.

I will take information regarding to curriculum of subject and we are going to check as well.

An effective curriculum provides teachers, students, school leaders and community stakeholders with a measurable plan and structure for delivering a quality education. 1. Describe your vision, focus, objectives, and student needs. 2. Develop experience that meet your objectives. 3. Create your students experience.

Its a very long topic if you read this then contact me to know.

You can have objective questions which are related to competitive exams.

Its already good

WE NEED TO FOCUS ON SKILL RATHER THEN FOCUSING ON THE USELESS THINGS LIKE ASSIGNMENTS

Particular branch related practical knowledge and the applications of subject matter can be given more importance and personality development program can be inculcated separately

No

Teachers have to pay more attention toward student

Good morning everyone I want to improvement in some refrence book Because some not found in market , Library etc then i face so many difficulty . So please improve this problem And another problem is some subject syllabus so many vast or wide so i humble request improve this problem also ! THANK YOU SIR

No suggestion from my side

Improve placement opportunity inside campus

All good

Suggestions for further improvement of Curriculum

Since the applicability of legal aspects in businesses has evolved to a great extent in the current scenario, the curriculum must be such that may fulfill the requisites of today's world. Fortunately, we do not have to start from the scratch. A comprehensive curriculum that not offer knowledge but also provides rigorous training on the practical applications of the skills, is in my opinion a need of the hour.

Suggestions for further improvement of Curriculum

Some focus should be on vocational education.

In law, focus should be on corporate and business law especially on IPR considering the present scenario. It will help in increasing the employability of students

Student Feedback about Syllabus of MBA (5-years)

Dear Student,
Hope you are doing well!

The Institute wants to hear your feedback to improve the syllabi/curricula of MBA (Five-year Integrated Practice-Oriented Programme).

Please read each of the statements carefully, and record your response by marking at appropriate number on rating scale with anchors:

1 = Poor; 2 = Average; 3 = Good; 4 = Very Good; 5 = Excellent

Note that your response will be kept anonymous; so you should give true and fair responses without any hesitation/fear.

How do you rate the relevance of the courses/papers in relation to the degree of MBA? *

	1	2	3	4	5	
Poor	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	Excellent

How do rate the sequence of topics in the units of courses/papers? *

	1	2	3	4	5	
Poor	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	Excellent

How do you rate the offerings of electives in relation to the latest trend in the subject? *

	1	2	3	4	5	
Poor	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	Excellent

How do you rate the usefulness of MBA programme/degree in developing your personality? *

	1	2	3	4	5	
Poor	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	Excellent

How do you rate the sequence of courses included in the syllabus? *

	1	2	3	4	5	
Poor	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	Excellent

How do you rate the availability of reading material regarding the curriculum? *

	1	2	3	4	5	
Poor	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	Excellent

How do you rate the usefulness of curriculum of the MBA degree in fulfilling your expectations? *

	1	2	3	4	5	
Poor	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	Excellent

How do you rate the usefulness of the curriculum in terms of employability? *

	1	2	3	4	5	
Poor	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	Excellent

Suggestions for further improvement of curriculum...

Keep it up

Teacher Feedback about Syllabus of MBA (5-years)

Dear Sir/Madam,
Hope you are doing well!

The Institute wants to hear your feedback to improve the syllabi/curricula of MBA (Five-year Integrated Practice-Oriented Programme).

Please read each of the statements carefully, and record your response by marking at appropriate number on rating scale with anchors:

1 = Poor; 2 = Average; 3 = Good; 4 = Very Good; 5 = Excellent

Note that your response will be kept anonymous; so are expected to give true and fair responses.

How do you rate the system followed by the University in designing and developing the curriculum? *

	1	2	3	4	5	
Poor	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	Excellent

How do you rate the overall structure of the existing curriculum? *

	1	2	3	4	5	
Poor	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	Excellent

How do you rate the depth in the contents of the existing curriculum? *

	1	2	3	4	5	
Poor	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	Excellent

How do you rate the offerings of electives in relation to the latest trend in the subject? *

	1	2	3	4	5	
Poor	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	Excellent

How do you rate the effectiveness of the existing curriculum in developing research aptitude in students? *

	1	2	3	4	5	
Poor	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	Excellent

How do rate the balance between theory and practicals/applications in the existing curriculum? *

	1	2	3	4	5	
Poor	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	Excellent

Suggestions for further improvement of curriculum...

More participation of corporate and alumni to be strived for.

Chanderson
University School of Management
Kurukshetra University,
KURUKSHETRA

DEPARTMENT OF TOURISM AND HOTEL MANAGEMENT
Kurukshetra University Kurukshetra

Minutes of the Feedback Session held on 11-05-2022 at 10:00 AM in the classroom of MTTM (P), Department of Tourism and Hotel Management, Kurukshetra University Kurukshetra.

Members Present:

Prof Mohinder Chand (Chairperson)

Prof Manjula Chaudhary

Prof Ravi Bhushan Kumar

Dr. Dinesh Dhankhar

Students were given a brief detail about the implementation of the National Education Policy (NEP 2020) from the session 2022-2023 by the chairperson. Prof Manjula Chaudhary explained the key characteristics of NEP 2020 to tourism students. Prof Manjula Chaudhary explained the scheme of examination, program structure, and details of courses/ syllabus (LOCF-CBCS, Multiple Entry-Exit) about MTTM. Then the session was opened to the tourism students for their opinion. The key opinions of the students were recorded by Dr. Dinesh Dhankhar to be incorporated into the syllabus of MTTM under NEP2020.

The session ended with a vote of thanks by Prof Ravi Bhushan Kumar.

CHAIRMAN,
Deptt. of Tourism & Hotel Management
Kurukshetra University, Kurukshetra.

Opinion on NEP-2020

by YOGESH-03 [MTTM-P]

NEP-2020 is a privilege to the students to enhance their personality and academic knowledge simultaneously. As this policy is offering us the multi-linguistic opportunity with no imposed of any specific language. The 2nd best thing is exams, that are gonna be held at class 2, 5 and 8 only.

And after that board exams of class 10 and 12 are there.

- For Higher education, It is providing us multiple ways to stop and resume our studies with

Certificate for 1 yr, Diploma for 2 yr, Degree for 3 yrs and Multidisciplinary Degree for 4 yrs of undergrad studies.

It is good for the students who have to drop their studies for personal reasons and for job purposes.

It will also decrease the rate of unemployment, because you are eligible to dropout from the studies if you find a suitable job and can resume your studies after if you want to.

- The choice based education in terms of subject and learning studying process (online or offline) mode is the best thing.

We had this privilege before but the imp improvization now is on greater extent.

- The choice of 2 subjects from 3 or a research paper worth 20 marks is a great initiative for the students like me who prefer field work (practical knowledge) more than academic (theoretical knowledge).

- The decreasing manner of exams (like sessionals and all) is a great step in this policy which is gonna offer more time to students to invest in their skills that are needed for the industry or time for extra curriculum activities.

Sign. of the Candidate

It will also increase the interaction and discussion session between the students and their respective teachers as there is a focus of NEP 2020 on 'How to think' and not 'What to think' said by our Prime Minister - Shri Narendra Modi.

I am a previous year student of MTIM. I want my authentic opinion of this Policy from the 3rd semester so that we can learn through this destructive way of learning. If it is not possible to give us (or to offer us) all the segments of this new education policy, we would be happy and obliged to get the chance to learn through this NEP with all the available resources we have.

• This 40-60% of online and offline mode of learning is the best thing for those students, who are still involved in some other kind of activities and could not attend the college on daily basis.

• The student evaluation system is the best thing. I would say, because only exams are not enough to define the ability and knowledge with wisdom of a student.

• Credit System is the 2nd best thing and it will allow the students to get the idea of their stand in terms of studies.

• Where grading system will define the students ability and potential and it will be disclosed to students also as well as teachers.

CHAIRMAN,
Dept. of Education & Skill Management
Vishakhapatnam

Since some limitations are there in this Policy - Medical studies are not involved in it. Courses like the Professional or Vocational are not mentioned in the policy. Study hour timings are still starting from morning and to noon. We can change it or can flexibilise the timings according to the students and teachers as well.

I strongly appreciate this policy. It was needed before 2020.

New Education Policy is one of the epochal
atimes taken by the Government of India
for. It not only reduces the burden on
students by confining them to certain
subjects but also helps them in dabbing
their hands more in the pragmatic skills.

Advice :-

- (i) Please apply and impose the NEP from IIIrd
sem of 2021-2023 batch also to make
the best out of the resources.
- (ii) Field Trips should be after every semester
it not only increases the destination knowls
exposure among students but also it will
help to achine harmony and interpersonal skill
among them and they will live tourism
rather than just studying it.
- (iii) Campus Placements should incline to help
and expand the course.

Opinion for New Education Policy 2020.

Dear Sir/Madam,

I'm a student of DTHM. 1st year (MTTM)
I'm writing this to suggest some
changes in NEP. I read the NEP 2020
recently, and this is the right
steps taken by the govt. I'm also
wants to avail (catch) this opportu-
nity. So I suggest you that this
policy benefits also given to
ours (2nd year). I hope you take
this suggestion positively and
improve this.

Thanking you,

Yours truly

CHAIRMAN,
Dept. of Education, Management
Kauish,

Recently many changes have been in the academic system
India from the school to college level. The
New educational policy (NEP) is quite different new and
more major transformational reforms in the Indian academy
sector. This new policy provides some new
opportunities to the students and get their mind
to the different perspective of these new education
structure. ^{With the} introduction of New education
^{major changes} policy (NEP) have ~~been~~ ~~or~~ been made and I
believe that by implementing these changes our
the Indian academic system will be taken a
step higher.

Suggestion - Please implement this policy from our
3rd semester

I find all the new implemented course for MM is so good and it help in improving ~~our~~ communication skill. ~~The~~ I find compulsory Ability enhancement course is good and something new in syllabus. It help student to work smoothly in industry without any hesitation.

All subjects in every semester is useful ~~to~~ in basic knowledge of Hotel. ~~By~~ doing Event, Marketing and HR compulsory will enhance the ability of students and help them to go forward in any field they want too.

I found new course more flexible and interesting to study in Masters.

M. L. L.

CHAIRMAN
Dept of Tourism & Hotel Management
Maharaja Ganga Prasad University, Varanasi

Feedback.

Subject which were newly implemented according to New Education Policy are good for students.

Semester - I

• CC-MHMCT-103 Current trends in hotel industry

This will help the students to know the trends of hospitality industry.

• DSC-MHMCT-103 Hygiene & Sanitation in hotels

After the pandemic this is the important factor to study about, it will also help the students to maintain their hygiene & sanitation.

• SEC-MHMCT-103 Business Policy & Corporate Governance

It help them to know about corporate.

• AECC-MHMCT 101, 102, 101 } All these will help them to improve in personality traits.
 FP-MHMCT-101

Semester - II

CC-MHMCT-201 Event Planning & Marketing Management
 Important as per future aspect.

SEC-MHMCT-202, 203 This will help them gain knowledge about Tourism.

Semester - III

DSE-MHMCT-303 Hotel Engineering & Maintenance

They will get knowledge about how the equipment will use, handling of equipment, maintenance etc

GE-MHMCT-301, 302, 303

All these may help them to gain knowledge about Customer Relationship Management, financial management.

Digital & Social Media Marketing

Latest trends of future ~~are~~

Digital media marketing will help them to gain knowledge.

Semester IV

CC-MHMCT 401, 402, 403

Three major will help to improve in planning & doing research on particular topic.

DSE-MHMCT-402 Crisis & Disaster Management.

This majorly help to gain knowledge for crisis or disaster prevention.

GE-MHMCT ~~Forex~~ Management

403 help to gain knowledge about currency

SEC-MHMCT. Ethnic foods in India

403 Give a huge opportunity to gain food knowledge

ECC-MHMCT

401, 402.

Help them to plan the food quality management & business.

— X —

Thank You

M. Laha

CHAIRMAN,
Dept. of Tourism & Hotel Management
Kulakshya University, Guwahati.

Roll no. 17

Semester - I

The subjects are in more detailed structure now. Opportunities in future are now related with the expansion of subjects.

Options provided look more interesting.

Suggestion - Communication and debate should be added from Semester - I to make the communication skills better.

Semester - II

Core ~~but~~ Departments should be more focused to clear the base and ~~to~~ make a good revision of the last structure.

Semester - III

Good to see more focus on the real life ~~at~~ subjects. About the handling of customers in hotels.

Site and hotel visits should be added for clarity on the subjects.

Semester - IV

Subjects are deep, ~~to~~ should be more concentrated on the content. Regular power points and presentations should be organised.

More Focus should be made on learning rather than writing Notes.

Dr. L. L. L.

Subject: Suggestions for change in curriculum as per feedback received from different stakeholders.

Respected Sir,

With due respect, It is submitted that to know the feedback related to curriculum, structured questionnaire were shared with different stakeholders through blended mode. The following suggestions were received from students of B.Com. I, B. Com. II and B. Com. III and other stakeholders:

1. Syllabus of Corporate Accounting BC-301 and Business Law paper BC-401 should be reduced.
2. GST paper BC-503 of b.Com. III should be introduced in both semesters instead of only fifth semester.
3. More practical aspects can be introduced in Income-Tax paper BC-504 and BC-604 of B.Com. III.
4. Syllabus of fundamentals of Marketing paper BC-203 of B.Com.I can be reduced.
5. Computerised Accounting (Tally and GST) should be introduced from B.Com.I
6. Internship/Practical training should be part of syllabi.

Sir, we hope you will consider these suggestions in a positive manner and will take appropriate decision in the interest of different stakeholders.

Thanking you

Yours sincerely

Sub: Suggestions to be considered by the PGBoS.

Respected Sir

As per feedback received by the institution from students/faculty/Alumni/Employers, a list of suggestions is forwarded to you to be considered in the upcoming meeting of PGBoS.

1. It has been a long and persistent demand of the students that the two year degree program of M.Com. (Gen) and M.Com. (IT) be converted to CBCS. This would facilitate the students not only in earning extra credit points but would also benefit them while seeking admission in different universities for higher studies.
2. It has been an outstanding demand of the students of M.Com. (Gen) that amendments should be made in Paper MC-206 (Business Statistics) of 2nd semester as the syllabus of this paper is nearly same as Business Statistics paper that they have studied at B. Com level. Hence, it is recommended that this paper be replaced with MC-310 (Applications of Statistical Methods in Business), which is currently offered as an optional paper in semester III, i.e. MC-310 should be made a compulsory paper in place of MC-206, because every PG student must be well versed with the Statistical Testing Methods for Analysis of Research Data.
3. The Viva-Voce cum Case Study paper of 4th semester should be replaced with a Research Based Project Work that will give students the needed research exposure.
4. The course content of the computer paper MC-301 covers very basic topics which the students must have studied in lower classes. The syllabus of this paper needs to be revamped by adding the latest in-demand computer concepts and technologies that will enhance their chances to grab high-end jobs in the market.
5. Based on students' feedback, it is recommended that the two computer papers in 1st semester of M.Com. (IT) viz. MCIT-105 and MCIT-106 should be merged into one to make way for a new paper.
6. To give basic conceptual and advanced practical knowledge of Java Programming to the students, there should be two papers on Java Programming. The Basics and Concepts of Java Programming should be placed as the newly created paper in 1st semester as MCIT-106 and paper MCIT-405 from 4th semester should be moved in 2nd semester in place of MCIT-205 (E-Commerce & Web Designing) and be

E-mail : principal.sdcol@gmail.com ■ Website : www.sdcollegeambala.org

- revamped to add advanced programming in Java and be given name as MCIT-205 (Application Development with Java).
7. The project in 2nd Semester MCIT-206 should be based on Java Programming Skills acquired in paper MCIT-106 (Programming with Java) and MCIT-205 (Application Development with Java).
 8. To meet the requirements of the corporate sector in India and abroad and hours' requirements for the admission to the courses like Certified Public Accountants (CPA), the paper MCIT-201 (Management Accounting & Financial Management) should be divided into two papers i.e. "Accounting for Managerial Decisions" and "Financial Management Policy" and to introduce a paper "Corporate Accounting".
 9. The paper MCIT-303 "Operations Management" should be replaced with a new paper "Financial Modeling" as it is more in demand and job-oriented.
 10. The paper MCIT-305 "Visual Basic & SQL" should be redefined and redesigned as "SQL & Advanced Excel" as Visual Basic has got outdated and obsolete, whereas Advanced Excel is important for Data Analysis and Financial Modeling and is in great demand in corporate sector. Also, exposure to SAP's FICO (Finance & Controlling) Module should be given to students to help them get good jobs.
 11. The paper MCIT-404 "International Marketing" should be replaced with "Corporate Accounting".

It is hereby requested to consider the above said suggestions and make changes accordingly.

Thanking you

Feedback by Stakeholders about Curriculum **(2019-20)**

Department : Commerce
Name of Head of the Department : Dr. Alok Goyal

➤ FEEDBACK BY TEACHERS

Faculty members of different departments observe that the syllabus is relevant. However it is lengthy ,some contents of the syllabus are repetitive in nature which can be deleted . The curriculum does not include audio- video inputs.

Project work /summer training report should also be included for better industry experience. Even for humanity students ,small living projects can be commenced to make the students more close to local administration system and local geographical conditions.

Some language teacher Feels that language must be included with computer knowledge as we are living in era of technology. Recent development particularly in different streams should be incorporated frequently. In physical education curriculum should be relevant and brief so that students must focus on their respective games. Hence there is urgent requirement of holistic approach towards value system, personality development and Leadership skills.

FEEDBACK BY STUDENTS

Syllabus is easy and knowledge oriented .Each subject must be associated with events and general knowledge .Students are more interested in participating learning (group discussion, brain storming and role plays, etc.).The syllabus must be connected with real life .Most of the students are Interested in ICT enabled Education. Independent analysis of the topic also required by many students.

FEEDBACK BY ALUMNI

It was the observation of Ex- students of the college that the syllabus of the various courses should be according to the needs of local industry because there is a gap between the course taught by the college and requirement of local industry .As Yamuna Nagar as industry hub of Ply board, Utensils, and other big units. Moreover students should be prepared for Banking, Defence and other civil services.

FEEDBACK BY PARENTS

Encourage the students to acquire computer skills and free computer training classes should be organized. Syllabus should ensure more entrepreneurship programs through career development and placement cell .There should be provision in curriculum about local industries and available job opportunities.

6.	How do you rate the availability of reading material regarding the curriculum?		✓			
7.	How do you rate the usefulness of curriculum of the programme/degree in fulfilling your expectations?		✓			
8.	How do you rate the overall structure of the curriculum of the programme/degree you have passed?		✓			

Suggestions for further improvement of the curriculum:

Curriculum is well designed, if Dissertation component is included at the Masters level upgrading the current MA Philosophy (by coursework) to an MA Philosophy (by research). Post-Graduation by Research is valued much more than PG by coursework in both Indian and foreign educational institutions as the students are trained in academic writing and research methods. This would undoubtedly prepare the students for M.Phil as well as PhD course work. In the long-run it might prove to be advantageous for making careers in academic research.

MCQ format should be added in the curriculum so that students can be familiar with this format and therefore be prepared for the UGC-NET Examination.

1. Technology of Sound System
2. Musical Therapy
3. Technology of Recording System
4. How to repair & tuning your instruments

Nil

Studio recording required, music a medical therapy.

Which kind of content you want to include in new syllabus which can be useful for students. according to NEP (New Education Policy 2020) (150 to 200 words)

43 responses

No

We are music vocal students should also be given an opportunity for instrument class

Nothing

Good

Nothing

Lastest study material should be provided as per date .

Yes

Yess

The syllabus we want which have some gd content including some practical things in content..content should be unique and different from previous content

Exllent

Must do stage performance in every month

...

I think my course has more than enough content

I requested to the department to start taking 1 lecture of instrument training for vocal students and 1 lecture of vocal training for instrumental students .

Include in new syllabus which can be useful for students. According to NEP(new education policy 2022)new syllabus is very helpful of students.this sistem is excellent.

Nothing...

Include that going to become extinct rare ragas

First do the basics of the course which we learn

Syllabus should not be much extended

Instrument

Aarti Shekhar
Chairperson

All good

We are music vocal students should also be given an opportunity for instrument class

No

Good thinking...

....

We need extra class only instrument because i m vocal student

Nil

Good

yes

Nathing

No thought

According to me... the syllabus should be both theroical and practical.. and according to the semester the question should be given in the syllabus so that they recover them easily the teachers also teach them by taking it practically in the syllabus there should be maximum short questions and in minimum quantity there would be long question... this pattern also should be in theortical paper so that students recover their paper on time

Same

Everything is good

More developing program for pupil's

Workshop facilitation

Which kind Of content you want to include in new syllabus which can be useful for students . According to NEP (New Education Policy 2020) (150 to 200 words)

25 responses

Syllabus should be more practical and related to modernisation. Our culture and ancient music should be taught in a new way so that today's generation will take interest in it.

Which would be useful for students

How to write Lyrics of song , Shayari, poem etc .

Teacher must be understanding, should start from the basics, must be practical and must be regular in attending classes both students and Teachers. New music subjects should be added like western music, compositions, breathing exercises etc.

There should be more and more practical knowledge

This type of policy that works successfully in the future of the students

Department need to add Mordern Music too in syllabus. Also need to focus on every student. They need to work hard on practical. Student need to learn more things like how to teach in a school as a teacher.

University need to add a entrance exam of singing of music vocal, every student who wanted to join that course need basic knowledge of music...

That's it. Thank you

Kurukshetra University is the best university of haryana. According to me Music is the Practical subject than Every Student to learn Musical Instruments like Harmonium,Guitar, Tabla because without knowledge of instruments No Value of Music Teacher..

There should be a change in course contents and classes curriculam

All are good content in the Department

I think we should try more practical things to do.

Yoga

I am very happy to learn classic music. It was a great experience for me. Now it's my pleasure I am teach classical music in schools. Classical music has influenced my life. After learning this, the way of living my life has changed. something that I'm starting to live now. Thanks to Kurukshetra university and Music department.

New sishya neti m students ke liye saral and sapst neti ka pryog krna chaye gye jise students ko samjne m koe dikat na ho or kuch new krna chaye gye...

Group projects could be added to the existing curriculum.

All teachers of vocal instrumental dance in the music department should be permanent rather than guest

None

Gugru

More information about voice modulation voice culture

Singing with instruments

Nothing

There is only one problem in curriculum that there are too many ragas. Please be specific and practical

Harmonium is also include in syllabus

There will be 12 years of schooling and 3 years of pre-schooling. Vocational Testing Internship will be started from class VI onwards. Education up to class V will be provided in mother tongue or regional language. Earlier there was Science, Commerce and Arts stream.

Which kind of content you want to include in new syllabus which can be useful for students . According to NEP(New Education Policy) 2020.(150 to 200 words)

6 responses

The syllabus can be enriched by including the topics related to arranging and composition of music, audio recording in a sound studio etc.

Research work needs more attention

Very effective

All the Aashraya raaga should be covered in the curriculum. Purvi, Aasavari are left and not covered in the syllabus. As most of the music students join schools as Music teachers after completing their UG or PG and in schools, the day starts with the morning assembly, in school as well as in Colleges aslo harmonium is very important in functions and cultural activities, so in my point of view folk tunes, patriotic songs, prayers, saraswati vandana ect. on harmonium should be added in the syllabus. Else is fine but to impliment the curriculum properly, we need more staff and tabla players in the institutes.

My view of Music is that it is a performing art so kindly give wieghtage practical 70% and theory 30%.practical efficiency must preferred don't make music depends on only research paper.There should be two aspects to appoint assistant professor in music one is performing and second is musicology. Bifercating the subject into performing arts and musicology will also create new job opportunities for both the groups 1. A good performer and 2. A good Music Shastrakaar

Which kind of content you want to include in new syllabus which can be useful for students . According to NEP(New Education Policy 2020) (150 to 200 words)

6 responses

According to NEP New Education policy 2022 is not gd My suggestion change curriculum According to students.

Training of new instruments and studio recording.

Studio training , Voice Technology Training,
Compulsory Stage program for classical and light music. Improvisation etc

Being a practical subject, Inclusion of Lecture-demonstrations, internship, weekly assessment of performance alongwith interdisciplinary approach is must.

As music is performing art.with the passage of time curriculam has been changed.more can be include if required.

Courses should be Job oriented. Along with classical Music, there should be teaching of technical instruments like guitar, Violin, Tabla, ढोलक etc. Course should be introduced related to recording studios, background music,and commercial music advertisements

Sanjana Lotta <lottasanjana333@gmail.com>
To: chairperson.music@kuk.ac.in**Teachers -**

Response of teachers is also very good and according to them designing and developing the curriculum is excellent .structure of existing curriculum is excellent , contents of existing curriculum is good , relation to the latest trend in the subject is good . Curriculum in developing research aptitude in students is excellent , balance between theory and practical is excellent .

Employers -

Response of employers is also very good. Got excellent view for syllabus that present curriculum for employability of students , effectiveness of curriculum for development of entrepreneurship is excellent . Contents of the present curriculum in relation to the latest trend in the subject is excellent and depth in the contents of curriculum is excellent . Effectiveness of current curriculum in developing skill oriented Human Resources is also excellent and developing research aptitude in the students is excellent .

For suggestion NEP 2020 being a practical subject , inclusion of lecture - demonstrations , internship , weekly assessment of performance along with in terdisciplinary approach is must .

Course should be job oriented . Course should be introduced related to recording studios , background music and commercial music advertisements.

Compulsory stage programme and performances for classical and light music improvisation etc .

To: chairperson.music@kuk.ac.in

1.4.2 - Feedback Collected And Analysed .

Students -

99 % students have satisfied with the syllabus which are running in the deptt. Of Music and Dance . They said degree or programme is developing their personality , reading material is good , curriculum of the programme / degree is fulfilling their expectations and also useful curriculum in terms of employability .

They suggest NEP 2020 that their should be equal no of practiv and theory classes . Their should be regular programme on monthly basis as done before by the department of Music and Dance .

Alumni -

Alumni gave a very positive view about syllabus. So many alumni working now and they agreed that syllabus was very good and because of that they are able to do work now . They said relevance of the courses / papers in relation to the degree / programme is excellent , offering of electives in relation to the latest trend in the subject is good , courses / papers that they have studied in relation to their cuirrent job is very good , usefulness of the programme / developing their personality is excellent , sequence of course is excellent , reading material regarding the curriculum is very good , fulfilling their expectations is good . Overall structure of curriculum of the programme / degree they have passed is good.

About NEP 2020 they said that which would be useful for students.

Arti Shewkar
Chairperson
Deptt. of Music & Dance

Suggestion for future improvement of curriculum

48 responses

This course is useful

P

Teachers does not complete their syllabus on time Or some does not provide the syllabus materials also...

Nil

In future improvement will be also good 👍

Teachers are cooperative

Increase the permanent teaching staff ✓

Get the work done

University should help in internships and placements ✓

Poor

Please avail plagiarism checker availability in department. ✓

Not much but the sequence of classes

Every thing is good 👍

Staff should be more supportive towards the students

Excellent

Everything is good

Overall good

All things are good.

Regular classes

Experienced teacher

All facilities should be provide to students

Started can use language according to his own subject

To Give equal respect to all students in class

Seminars can be conducted regarding research process and methodology... And also practically how to employ these in our research works.

Yes, there should be separate classes in our syllabus like watercolor classes, sketching classes, anatomy, study classes. And it is necessary to make some new changes in the old practical classes because till now the study is going on in the same pattern, it is necessary to update it.

No suggestions

Regular classes and experienced teachers

Every thing is best

Develop experiences that meet your objectives.

Improve the way of teaching and include current projects in syllabus

No suggestion

All is good for today

There should be less of theory and more of practical and relaxation with desertation.

Proper sequence should be followed

Although everything is good but more adding of activities may prove to be beneficial..

Providing new approaches to explore more in digital designing along with detailed information about how to build your designing skills in software. New mediums to lead the graphic designing

Take job trends into consideration

This is yet another factor that can help improve the set curriculum that universities follow. Apart from offering courses that would be beneficial to the students in terms of skill development, it is important that job trends also be taken into consideration when the curriculum is decided upon. And with the task of preparing students for jobs that don't exist falling in the hands of universities, keeping this factor in mind can prove to be most advantageous to students, universities, and the employers of the future.

Please keep department neat and clean. Teachers should encourage students like some teachers does

No

Allow the Student at choose the language according to his subject

Their should be regular art workshops and education tours

It will be very helpful if we able to analysis our subject theory with visuals
Cause we all know art is all about visualisation ...

Take job trends into consideration

Teachers doesn't complete their syllabus on time and some doesn't give syllabus material also till exam.

Syllabus should be checked

Nothing

Increase the level of practical subjects

Focus on practical

Permanent and regular staff is needful

67 responses

Good

more emphasis on the demand of new curricular activities

No suggestion

Need some study trip and galleries.

Yes

we have to include few month of internship program so student get an update for market trends.

If Possible than add the concept of UI/UX in applied arts

Student should be made aware of more and more latest advertisements and photography compilations. Because in the syllabus of the respective part, in which student only learn colors & composition only in 4 or 6 years, when they pasout and start any job. Then they feel embraced. Because students would not have read anything related to agencies or industry in his 4 or 6 years of studies. So i would request to honorable chairman of our department Mr. Pawan kumar. The students who are going on in the market should be encouraged, along with the student, the teachers who are teaching them should also be upgraded according to today and try to get collaboration some agencies, who come every year in our department and select some students for internships and jobs as well.

Thanks

Regards:- Rishabh walia

I don't have any suggestions yet

Nil

It was a great experience and great organization.

Need more exposure

Excellent

Change is the only way one can adapt and improve these set standards to form newer heights to scale for students as they prepare for careers that may or may not exist in the current times.

None

Children should not find the curriculum boring.

No

1. Keep it up

Nope

No

Satisfied

The university library should have a stronger section of books and journals related to subject Fine Arts.

please call agency for applied arts for job placment

No suggestions

Everything is good

Vecant post fil in roster and UGC norms immediately

We should learn more for our improvement

For M. A students, Give knowledge of other fields also like if a student have applied arts, then for those students there should be knowledge of sculpture, graphics etc. also.

Latest technology should be introduced time to time.

Curriculum should include that type of skills and technology that helps in getting job easily in today scenario.

Nothing

Everything is Perfect

More practical work can be done , related to software

सिलेबस कम कर दिया जाए

More latest market trends should be followed for betterment of course

It's yet good but can better in future

Please add the content relevant to the present industry demands

There must be some part added which can help in teaching and craft part is also required and applied arts students must have good sketching skill and how to make portrait and figure drawing. that was lil less at that time.. it would have improve accordingly. Thank u

NA

Advance and more creative work should be taught to the students of Applied Arts.

Shhsbssj

I think it is really important for an institution or department to make students learn the use of their course to make themselves sustain in this field. Try to make the Courses more interactive and updated so that instead of just focusing on becoming a teacher or professor, they can learn to create and own something unique and to grow themselves to compete with the current status of art world.

No need

Can be more innovative with latest ideas

Need more interactive session with eminent artists

More focus on new teaching techniques

The syllabus and working is not updated. One need to understand and accept the current and new upcoming trends along side with basic and traditional ways of working.

More Workshops of Art activities

It is excellent as it is.

I want that practical teacher should be more coprative ..to boys also

If there could be improve availability of Aesthetics's books.

It needs to be more systematic and synchronized.

Indian Art Styles must included in Curriculum.

No comments

good

All good

Doing good

All the best

Practical work will be done more

Please take the submission weakly so that students can focus and see their improvement.

We should Develop our plans, methods, and new processes.

DEPARTMENT OF FINE ARTS
KURUKSHETRA UNIVERSITY, KURUKSHETRA
 (Established by the State Legislature Act XII of 1956)
 (A+ Grade, NAAC Accredited)

ACTION TAKEN REPORT

The following Action has been taken regarding the issues raised by the Students, Alumni, Teachers & Employer in the structured feedback for design and review of syllabus – semester wise/year wise as under:-

Sr. No.	Issue Raised	Action Taken
1.	Increase the Permanent Teaching Staff	A Permanent Teaching Staff i.e. an Assistant Professor has joined the Department of Fine Arts in the month of March, 2022 and One Vacant Seat for an Assistant Professor (Budgeted) has been advertised by the University vide Advertisement No. 54/2022
2.	University should help in Internship & Placement	Internship has been included in the new syllabi as per NEP, 2020.
3.	Please avail plagiarism checker availability in the Department	Plagiarism Checker Software is already available in the University Library and the Department.
4.	Please keep Department neat and Clean	Requirement for atleast 01 Sweeper (Permanent) already sent to the Sanitation Branch.
5.	There should be regular art workshops and education tours	Regular Art Workshop is already organized by the Department like Photography Workshop by the Famous Photographer Mr. Gurdeep Dhiman organized by the Department. Also, a workshop titled Kala Utsav was also organized by the Department recently in which Ten Renown Artist demonstrated their Art publically in University Campus.
6.	Teachers doesn't complete their syllabus and some doesn't give syllabus material also till exam.	No written complaint ever received from any student of the Department in this regard.

Suggestions for further improvement of curriculum

One of the course titles (i.e., ST-204) is incomplete as indicated in 'Scheme of Examination' table. In some of the practicals (i.e., ST-205 and ST-305), there is ample scope for improvement, i.e., to incorporate R/Python tools' fair exposure and hands-on exercises in order to justify the scheme of the examination. Some of the suggested reference books are not up-to-date; hence, need revision for their availability in the market, for the students. Some more changes/suggestions have been specified on manuscript supplied via email (changes made in Track mode).

This form was created inside of Kurukshetra University.

Suggestions for further improvement of curriculum:

1. Years of publication are missing in references in few courses. Please include the year of publication.
2. Friedman Two Way Anova can be included in Non-Parametrics.
3. Few courses seem to have heavy content. Some topics can be removed.

- Average
- Poor

Dr. A. P. Singh,
Department of Statistics &
Operational Research,
Kurukshetra University,
KURUKSHETRA-136119.

Suggestions for further improvement of curriculum:

Independent papers on (i) time series modeling and forecasting (using Box Jenkins approach), (ii) Data mining are required. In Econometrics paper some important topics such as Panel data model and Seemingly Unrelated regression models may be included. My advise is instead of trying to cover so many software such as R, C++, Python, Systat, SPSS, etc. better if you focus on using R in both under graduate and PG (or at most Python). Once the students develop expertise in R, if required, they can easily learn other software.

- Poor

How do you rate the usefulness of the curriculum in terms of employability? *

- Excellent
- Very Good
- Good
- Average
- Poor

Suggestions for further improvement of curriculum

- 1) Elective subjects should be different from the main subjects and they should be more based on skills.
- 2) Placement cell should be there for employment purpose.
- 3) Data visualization subjects can be added.
- 4) Programming with C and R should not be as one subject. As, R is one of the main part for data analysis. So, R should be treated as one different subject.
- 5) Practicals should not only be based on C.
